Happy May to you! As Michigan weather goes, things are still unpredictable, but we haven't dipped below freezing in a while, so the warm weather may be here for our new boating season.

As I write this article, we are preparing for our Grosse Pointe Power Squadron Spring Launch which is being held at the Grosse Pointe Yacht Club at 6:30PM, on May 8, 2019. Drinks, a delicious dinner, friends, fun, and good times to kick off the 2019 boating season, what more could you want? Hear about the exciting events we've planned for 2019. I hope you'll join us.

Are you ready for this boating season? Have you launched your boat and had it checked out? This is a great time to have the repairs done since its still a little chilly for boating. The Grosse Point Power Squadron will be performing vessel safety checks at the Grosse Point yacht Club and Beacon Cove in the coming weeks. A schedule is included in this newsletter.

On another note, you may have noticed that the lake levels have been rising. From a MLIVE.com, a Lakeshore Flood Warning is currently in effect for the bodies of water east of the Detroit area. A storm system will generate a stiff enough wind from the east to increase water levels on the west end of Lake Erie and Lake St. Clair and on the western side of the Detroit River. A Lakeshore Flood Warning implies the potential for water to approach houses and roads. Seawalls and docks could also be damaged. I hope no one will be adversely impacted.

Finally, I regret to report the passing of past GPPS Commander Fred Muller, SN-17. He passed away on Palm Sunday, April 14, 2019. He was a squadron member for twenty-one years. A funeral service will be held at St Lucy Catholic Church at 23401 Jefferson Ave, St Clair Shores, MI, 48080 on Friday, 17 May 2019 at 11 AM. There will be no viewing as his remains were cremated. There will be lunch following the service at Jefferson Yacht Club located at 24504 Jefferson Ave., St. Clair Shores, MI 48080.

Executive Department *Lt/C Joan McCarron, AP*

Welcome to the month of May. I'm amazed at how many boats are already in the water. Be sure you have all required equipment aboard and don't forget to get your Vessel Safety Check.

We unfortunately have a bereavement announcement this month. I am saddened to announce that P/C Fred Mueller, SN-17 passed away on Palm Sunday 14 April. The funeral will be held at St Lucy's Church, 23401 Jefferson Ave., St Clair Shores on Friday, 17 May at 1100 hrs. We will surely miss him.

Many of us attended the D-9 Conference in Grand Rapids the weekend of 12-13 April. Many of the officer's positions were well defined and a big help in clarify our responsibilities. There was also much discussion about sharing rendezvous

and all D-9 and Canadian activities. There was also much discussion about sharing class offerings.

There are many great activities coming up. Just to mention a few, Please try to attend the 8 May Spring Launch Dinner at the Grosse Pointe Yacht Club, 11 May The Players, 17-19 May The Great Lakes Boating Festival at the Grosse Pointe Yacht Club, and the 18 May Predicted Log (The Mystic Maidens are competing this year).

We need all of you to make this year a great success. Please come and join us!

Respectfully,
Lt/C Joan McCarron, AP

IN MEMORIAM

P/C Frederick Muller, SN

We are sad to announce that P/C Fred Muller, SN passed away on 14 April 2019. Fred was Commander in 2016. He achieved the rank of Senior Navigator and was selected as Educator of the Year in 2010.

He taught Junior Navigation and earned 17 Merit Marks.

We appreciate all that he has done for the Grosse Pointe Power Squadron and will miss him. We send our condolences to his family.

Funeral arrangements have been made at St Lucy's Church, 23401 Jefferson Ave., St Clair Shores on 17 May at 1100 hrs. A luncheon will follow at the Jefferson Yacht Club.

SEO Report Lt/C Chet Dunbar Jr., AP

We will start our next ABC class at Grosse Pointe Farms Pier Park on Monday, June 3rd, \$45.00. and again July 8. To generate interest in class and begin the Boating Season, we will have a Free Knots, Bends, and Hitches Seminar, Monday, May 13 at 6:30 pm and follow with a GPS Seminar on Monday, May 20 at 6:30 pm, cost \$30.00. Let all your Family, Friends and Co-workers know to come on out for the fun. Call Park at to register 313-343-2405. Classes are in Activity Bldg and open to ALL.

REMEMBER - anyone who has taken a Boating Class with us is eligible to take a **FREE** On The Water Training Seminar, which will be held Wednesday, June 26 and July 31 on Dave Charvat Trawler at GP Farms Pier Park. Call me to register.

There have been some delays in ordering books and exams as USPS has been updating there Website. Please, be patient .

***We will have a Free Knots, Bends, and Hitches Seminar,
Monday, May 13 at 6:30 pm and follow with a GPS Seminar on
Monday, May 20 at 6:30 pm, cost \$30.00.***

***Let all your Family, Friends and Co-workers know
to come on out for the fun.***

AMERICA'S BOATING CLUB® of Grosse Pointe

Administrative Department Lt/C Rose Stano, AP

A funny this happened on the way to Grand Rapids for the D9 Conference, I ran into a Carrot. I wanted to make it a Fun weekend and shake things up and I sure did. I dyed my hair RED, to go along with the Pink Pony Bar Theme, where you have Yachts and Yachts of Fun. Everyone but Bill seems to like it, so I may keep it while I am on the Bridge to keeps things spicy. My Brother in law, Jim Byrns, who is a retired Graphic Artist, made us a great Pink Pony sign and I had lots of fun taking pictures of attendees in front of it. I will bring the poster to the Spring Launch Dinner at the Grosse Pointe Yacht Club this month, so we can take more pictures and you can enjoy it. I'm afraid we were so busy handing out Godiva Chocolate Martinis, Rum Runner Punch and Fudge that I didn't get great pictures of the wonderful Port Huron to Mackinaw Winner Flags that we had draped all over the room. We covered every surface we could with pink material and even had an few my little pink ponies to decorate with. Everyone could not stop talking about the drinks, so I think we will have to make them for our Summer Picnic meeting June 12 at the Farms Pier Park. Maybe Bonny will make us more of her great Fudge. The milk Chocolate when first, followed by the Peanut Butter, with the Dark Nut Chocolate last cause it was not as sweet. Fun was had by all. Bill talked to the Vessel Safety Examiners and I did the talk on Electric Shock Injury that can occur

***May and June ar
our big months
for Vessel Safety
Exams and getting
the word out of
Boating Safety.
Come help us out!***

around Boats in Marinas on Saturday. There was a wide selection of speakers with sessions for Treasure,

Administrative Officers, Executive Officers and about membership and activities. We have had 10 lean years in the Squadrons, but I am seeing new faces and energy returning, so I feel the slump is over. Jump on Board. May and June are our big months for Vessel Safety Exams and getting the word out of Boating Safety. If you have free time come out to help us at the Grosse Pointe Yacht Club with the booth at the Great Lakes Boating Festival on Saturday or

Sunday, May 18 and 19, as we man the booth and send VS Examiner out to inspect boats. Then in your free time check out the impressive boats for sale. We will also have a booth at Jefferson Beach Marina Gas Dock on Sunday, May 19 to hand out Boating Safety Material while the examiners are out again inspecting boats. These events happen rain or shine. June 1st they will be doing Vessel Safety Exams at Beacon Cove Marina, on Jefferson in Clinton Township, and we will have a booth there, but I must work at the Hospital, so come help us out. Don't forget to come to the Spring Launch Dinner, Wednesday, May 8th with a lovely buffet arranged by our Commander Natalie. Just email me at rstano@comcast.net or leave message at 313-343-5602 to give us a count and pay at the door.

WEEK

MAY 18-24, 2019

Secretary Department Lt/C Debbie Rowe

Ahoy,

Communication! Long ago fires were built on hilltops to communicate with mariners the location of a port. Those fires evolved into the development of lighthouses which provided a broader scope of communication. To alert mariners of hazardous shoals, reefs or rocks and also the pattern and blinks of the light created yet another level of communication.

Just as the lighthouse evolved into a greater means of communication our world today has so many devices and modes in which to communicate. Please be sure and check out our Facebook page. Ways that I hope you'll agree...there's nothing like a face to face visit or a hand written note.

With your help...like a lighthouse our T&T newsletter can evolve into one of the greatest resources that provides communications to our community, to other squadrons and most

importantly within our membership. As editor of your squadron newsletter will you please communicate to me anything you're celebrating, where you've been or where you're going (don't forget Bobbers wants to go too!) or whatever is happening with you or your family. Please give me your ideas on ways to grow and engage our members and community. I welcome the opportunity to communicate with everyone and your input is greatly appreciated.

Sincerely,

Lt/C Debbie Rowe
586-556-7765
emailforrowe@aol.com

I want to say thank you to the Hospitality Committee and everyone who answered the call for help with the hospitality room at the 2019 D/9 Spring Conference in Grand Rapids, you truly are appreciated!

Some of us went up a day early, then had dinner at Founder's Brewery. On Friday, we decorated our Hospitality Room for our Mackinac Island Theme. Many people enjoyed the Mackinac Island Fudge Martinis as well as the Rum Runner's. There were many compliments. We had a great time!

Hope to see you at the D/9 Fall Conference. Thanks again!

Sincerely,

Lt. Bonny Utz
