*Note: Refer to the GPPS web site for more details - Unless otherwise posted -
All GPPS General Membership Meetings are on the second Wednesday - Sept. through May
All GPPS Executive Committee Meetings are on the fourth Wednesday - Aug. through May*

Commander's Message Cdr. Rose Stano, AP

Summer is here with Memorial Day Weekend being one of the hottest on record.

My Commanders Ball, Friday April 29, 2022 was a big success with 99 people in attendance. The prime rib and crab cakes were mouth wateringly delicious. We were entertained by Marilyn Monroe aka Julie Bannerton and the TFO orchestra with the Ladeez. It was nice to just sit and be entertained by the band, while people were still able to sit and chat. Seeing Ted Smith up dancing with Ladeez, reminded me of past good times. Thanks to all who attended, making this event so special for Bill and me.

Michael Babiarz and I went down to the Detroit Boat Club on May 17, Tuesday, to present Harry Jones with a donation to the new Detroit Community Sailing Center after his amazing presentation at our April meeting. He was very thankful and asked that we get information about his work out to the boating community in the area. Please like and share his posts on social media. Let your friends know.

The **St Clair Shores Memorial Day Parade** was Sunday, May 29, 2022, was packed with people lining Harper Ave a few families deep. Michael and I decorated Bill's Dingy with a memorial tribute to the U.S. Coast Guard, thanking them for their collaboration with America's Boating Channels on boating safety, videos for Season 5 videos shot here in Lake St Clair last summer. The Grosse Pointe Library and Grosse Pointe Marinas were all sent information for Safe Boating Week from the National Safe Boating Council for them to use in their facilities. I hope in June to share America's Boating Channel information with SCS

By partnering with the Anchor Bay Yachting Association, Bill spoke with the Custom and Border Patrol, and Macomb County Sheriff, marine division, on Tuesday, May 24 at the Huron Pointe Yacht Club. Bill presented information on Vessel Safety Exam, emphasizing recent updates. There were 35 people in attendance. HPYC has requested a class, so Bill will be teaching an ABC 3 there Monday nights starting June 13, 7pm for 4 weeks and helping Ed Bolsendahl with VSE on Saturday, June 11.

The ABC 3 class at the Grosse Pointe Yacht Club on Monday nights in May had 10 students passing class and 4 families joined our group. Interest in classes and membership is expanding and we could use help with mentoring our new members. A Charting Class for past boating students, that did not receive it, will be held at Trader Todd Marina on Saturday, June 11 -8am to noon. On the Water Training will be held for past students in August. **-We Need Your Help-** Please contact Chet or Bill to help. **313-744-7472**

Vessel Safety Exams are starting. Dates and location are-

Huron Pointe Yacht Club - Saturday June 11, Trader Todd Marina - Sunday, June 12,

Beacon Cove Marina - Saturday, June 18 and we will be grilling hot dogs. 10 am to 4pm

Jefferson Beach Marina has still not been set up due to recent upgrades.

Grosse Pointe Yacht Club - contact Bob Wiczorek. Need VSE at your boat- call Bill.

Call Bill Stano at 313-343-5602(h) or email wstano@comcast.net to help. **We need people** to staff the booth and talk to people about boating safety and classes.

As you can see there are lots of activities, so come be a part of the fun and outreach.

Stay Safe, Commander Rose

Life Jacket Loaner Program for Kids!

Michigan law requires all children under 6 years of age to wear a USCG-approved Type I or II PFD when riding on the open deck of any vessel while underway.

The USCG requires that all vessels have at least one Type I, II, or III PFD that is USCG-approved, wearable, and of the proper size for each person on board or being towed. Sizing for PFDs is based on body weight and chest size.

Around the country, over 575 marinas, fuel docks, BoatUS Towing Operators, Army Corp recreation sites and other waterfront businesses lend out kids' life jackets for the day or weekend to families who have a temporary need for one. 140,000 lifejackets are loaned each year.

One of the program's goals is to educate boaters on the significance of wearing the appropriate size and type of life jacket while boating. Another is to make sure a day of boating isn't spoiled just because a family forgot a life jacket at home. And finally, the most important goal is to simply keep kids safe on the water! The loaner program is ideal for boaters who may be having guests on their boat and wish to avoid purchasing extra children's jackets for one-time use. Organizers say the loaner program is designed to help boaters comply with state law.

Here is how the program works: A boating family can go to a participating marina and borrow a life jacket for short-term use. Three different size jackets are available: infant (under 30lbs.), small child (30-50lbs.), and youth (50-90lbs.). Adult jackets are also offered. Each jacket has a Boat U.S. Foundation Logo printed on it and a plastic tag with return information. See BoatUS.org for further information.

Where can I go to borrow a life jacket?

Make your reservations now since slips will fill up quickly.

Michael Babiarz - 586-215-3019

Detroit Community Sailing Center

On Tuesday, May 17, 2022 P/D/C Michael Babiarz and I went down to the Detroit Boat Club and found Harry Jones working on the docks and presented him with a donation from our group as voted on by the membership after his presentation at the April meeting. He was very thankful. Commander Rose Stano

May Meeting of America's Boating Club Grosse Pointe

May meeting of America's Boating Club Grosse Pointe

Was in the newly remodeled Spinnakar restaurant at GPYC. LCDR Luke Clyburn gave a fascinating presentation on his work with the U.S. Naval Sea Cadets and underwater research on the Pride of Michigan in the Great Lakes with the Noble Odyssey Foundation. The Cadets learn, lead, and explore by crewing the vessel and learning to dive. By partnering with scientists, they participate in the research and film for documentary on the subject. Vote was taken at the Executive Board meeting and approved by the membership to donate to this organization. We were glad to have 4 students from our Spring class join the meeting all from the Anchor Bay Yachting Association who seek membership in our group.

America's Boating Club of Detroit Spring 2022 Rendezvous

**Presents its:
SPRING 2022

William G. Milliken State Park and Harbor Rendezvous

William G. Milliken State Park and Harbor is in the heart of Detroit, just east of the downtown, along the picturesque Detroit Riverwalk. Voted America's best riverwalk for the second year in a row. Conveniently located near the Outdoor Adventure Center, Dequindre Cut, Greektown, and other major downtown Detroit attractions, food, and drink establishments. An excellent opportunities for picnics, fishing, wildlife viewing, biking, walking, rollerblading on a paved trail, and much more. Car parking is available across the street. U.S. Navy Week will be in Detroit July 11-17. The 52-slip harbor provides transient rental space, grills, ice for purchase and picnic tables. A designated Clean Marina. WiFi is available in the harbor. Marina location: 42 19' 55" N 83 01' 31" W, visit www.midnrreservations.com for Reservations.

ABC Grosse Pointe will be there July 15-17 with Chet in Thursday and out Monday. Michael is in slip 42, Friday and Saturday night. Call for details- (586)215-3919
Dinner Saturday night - Andrews on the Corner, 201 Joseph Campau. Car parking available behind building which is a few blocks walk east of the Marina down Riverwalk.

CBP Small Vessel Reporting Requirements

Release Date: Thu, 05/05/2022 - 12:00

BLAINE, Wash. — Pleasure boaters arriving in the U.S. from a foreign port or place are required by law to immediately report their arrival to CBP. The CBP Reporting Offsite Arrival – Mobile (ROAM) application automates the process and offers a quick, convenient, and efficient alternative to the number currently used to report small vessel entry.

Once the CBP ROAM™ app is downloaded, travelers input their biographic information, conveyance, and trip details, then submit their trip to CBP for review. A CBP officer may then initiate a video chat to interview travelers. Once the CBP officer reviews the trip, travelers will receive a push notification and an email with their clearance status and the next steps, if applicable.

The CBP ROAM™ app automates the process of applying for and updating cruising licenses and, in most cases, eliminates the need to visit or call a CBP office. The application process is integrated into the arrival report, making the change seamless for current users. Once a cruising license has been issued, a new button will appear that allows boaters to notify CBP of subsequent arrivals under the cruising license.

Current users who already have a paper cruising license should update their boat information in the CBP ROAM™ app with their cruising license number. Once verified, the "Port of Call" button will appear and can be used to update the cruising license.

If arriving in Washington and everyone onboard the vessel is a member of one of CBP's Trusted Traveler programs (NEXUS, Global Entry, or SENTRI) the entry may be reported by calling 1-800-562-5943 and you will not need to use the CBP ROAM™ app.

To use CBP ROAM™ on your personal smart device, download the app from the [Apple App Store](#) or the [Google Play Store](#). In certain locations, the CBP ROAM™ app can also be accessed on tablets at partner locations.

More information about the [ROAM program](#) is available. For any questions or concerns about the CBP ROAM app, please email us at cbproam@cbp.dhs.gov.

U.S. Customs and Border Protection is the unified border agency within the Department of Homeland Security charged with the management, control and protection of our nation's borders at and between official ports of entry. CBP is charged with securing the borders of the United States while enforcing hundreds of laws and facilitating lawful trade and travel.
