Ahoy members of District 9 USPS. Your district bridge is pleased to announce that we will be having an in-person Fall District 9 Conference. After 2 years of virtual meetings we will be having a one-day in-person event designed to reconnect, socialize and do some business for the good of our district. We will be holding the conference on the Michigan Princess boat in Lansing, Michigan. We will board the boat at 10am and convene the Fall Conference at 10:30am. After the conference we will depart and cruise the Grand River while enjoying a buffet lunch.

The rest of the day is available for you to explore Lansing at your leisure. The Lansing club is busy collecting information and ideas of things to do while here for the conference; there is something for everyone. More information on that to follow.

For those who would like to come to Lansing Friday evening the Lansing club will be hosting a Welcome Party at one of the member's home. This will be open to registered attendees to the conference. A list of suggested hotels is being prepared and will be sent out shortly (NOTE: The MSU game is away).

This event is designed to be a casual, "let's get together" day so that everyone can participate at whatever level they feel comfortable at. To encourage members to attend we are discounting the cost of the event. A luncheon cruise on the Michigan Princess would normally run between \$55-\$60 per person; the cost to members attending the conference is \$25/person. There will be a cash bar available on the boat.

Attached is the registration form for the conference. We **MUST** provide a meal count no later than September 12 so please act now to attend this unique event to "ease back" into an in-person conference.

Hope to see you aboard the Michigan Princess!

**America's Boating Club Grand Traverse Bay's Lobster Roast
Northport, MI on Saturday, August 13, 2022**

What a beautiful summer we have had. In spite of some very hot weather it's been a perfect summer for heading out on the water to cool off. Personally, I was sidelined with my arm/shoulder injury but I still spent plenty of time hanging out at the sailing club enjoying the lake. Hope you were able to do the same.

Clubs were back in action this spring/summer with classes; creativity in how to conduct classes with some venues still not open occurred. As boat sales continue to soar it was great to see these new owners wanting education. Perfect opportunities to encourage them to join us and to offer more classes.

At the upcoming Governing Board there are some proposed bylaw changes which will make it easier for district and squadrons to function effectively and without stretching resources too thin. It will be up to us, as a district, to decide how we envision our future – bottom line is that districts will not go away unless we want them to. Please let me know how you feel about the changes so that I can vote appropriately at the meeting.

I am working hard on getting the arm back in shape so that I can do the ecological kayak trip offered at one of the stops on the USPS Celebrity Cruise of the Western Caribbean in late February. There is still time and space to sign up for this cruise offered through USPS and Dawn's Travels. These trips are more fun when friends are around!

I had the pleasure of representing District 9 at the Grosse Pointe Commander's Ball, Detroit's Merit Mark Party and the Grand Traverse Bay's Lobster Bake.

As we move into fall I look forward to seeing many of you at your Change of Watch; be sure to let D/LT/C Al Schwaller know of your plans so we can coordinate district representation at your event.

Alanna

America's Boating Club - Grosse Pointe**

Despite having many health challenges in the spring and summer, I am feeling better and ready to go back to work with District Secretary and National responsibilities. I am excited about the 2022 Fall Conference. It will be the first in-person meeting in two years! I am looking forward to seeing everyone in person and not virtually on my computer screen. I hope everyone in D9 can come to Lansing, enjoy a cruise on the Grand River and get some district business done.

Rose and I are attending the Governing Board Meeting in Raleigh North Carolina in September. I usually find the Governing Board Meeting to be light on subsidence. This year is different.

I want to switch hats from District Secretary to Staff Commander of the National Planning Committee. At the Governing Board Meeting, we will vote on sweeping changes to the National Bylaws pertaining to districts (Article 6) and squadrons (Article 7). I want to address the fallacy from the first Town Meeting of the Reorganization Committee; Districts are **NOT** being eliminated.

The Board of Directors charged the National Planning Committee with the task of **District Simplification**. The National Planning Committee collaborated closely with the Committee on Rules to ensure that our mission and heritage continues to provide inspiration and dedication to our members. The Planning Committee developed a **District Handbook or Guidebook** to adopt new organizational structures and procedures for districts to consider for meeting their business needs and better support their constituent clubs/squadrons.

The preface and the introduction of this guidebook states the intent of this simplification effort. It is time to do away with the bureaucracy restricting us from obtaining leaders and assisting clubs/squadrons with education, programs, membership, and social activities. It is time for districts to channel their efforts to the success of our clubs/squadrons.

The main body of the guidebook details the work with the Rules Committee concerning the bylaw changes and the rationale for those changes. Attachments at the end of the guidebook provide several worksheets and guides to help districts in their efforts to improve and or maintain their district. The guidebook is a chart for success. Its intent is to assist all districts to be adaptable for the diversity of any district throughout our organization.

Continued on the following page.

Continued from the previous page

Stf/C Bill Stano, JN - USPS Planning Committee

Using this guidebook gives districts the ability to define themselves in their bylaws thereby maintaining the heritage of The United States Power Squadrons and promoting seamanship and navigational skills in the communities that they serve. The District Simplification Guidebook will be introduced and discussed at the District Commander and Executive Officers Seminar. The “One-Size-Fits-All” concept no longer works for our organization. If, for example, District 9’s organizational structure is stable and has volunteers to fill positions, we may not want to change how it works. If District 9 is having difficulties staffing the bridge and filling positions, District 9 may want to consider shifting to a smaller staff and/or elect committees only when there are tasks that need to be addressed. The bylaw changes allow this flexibility.

Article 7 Bylaw changes pertain to the clubs/squadrons. Changes to Article 7, of the National Bylaws, are based on similar considerations of autonomy and flexibility as used for the amendments to Article 6. For squadrons to change their structures, the USPS Bylaws must be amended for the changes to occur on the local level. These are only beginning steps to help improve our organization structure, maintain membership, and continue providing the education and programs we offer to members and our communities.

Respectfully Submitted,

Stf/C Bill Stano, JN

Secretary, District 9

Lobster Bake Weekend

Sixty-seven people from Detroit, Grosse Point, Lansing, and Grand Traverse Bay enjoyed this year's Lobster Bake weekend. The weather was great! The food was great! The camaraderie was terrific!

Friday night we enjoyed mingling during happy hour while munching popcorn – thanks to Bill and Pat Rottman, our popcorn maestros. Then Brian Nelson grilled bratwurst to perfection.

Saturday afternoon we witnessed several guys building the awesome fire pit under the direction of Brian Nelson. What a show! Many of us opted for huge slices of prime rib rather than lobster.

After dinner, the winners of the Silent Auction were announced and we got to claim our prizes. Thanks to MR Gillooly, Janet Stone, and Nancy Gonzalez. Thanks to my terrific committee and to all of you who volunteered to help as the event progressed. Without each of you and your helpfulness we wouldn't have such a terrific event. Cudos!

If you haven't watched this before, be sure to **join us on August 11-12 next year!!**

P/C Christine Beck, ABPS

We had a wonderful time at the ABYA Spring Fling at the **North Channel Yacht Club (NCYC)** sponsored by the Anchor Bay Yachting Association. The weather was perfect. We munched and relaxed on Saturday during the day and met fun boaters from about 15 different clubs. Members were walking the boardwalk for exercise, fishing, etc. Danny R Woody and Frank Fakult completed about 13 Vessel Safety Checks. Later, we enjoyed appetizers, drinks, the Wheel game, dinner, raffle prizes, and dancing. I was lucky to win the lottery display, a coffee themed basket, and the centerpiece of wine and two cute glasses. Our club donated a beautiful basket containing towels, red/white/blue plates and napkins, red candle, an adorable Lolita wine glass, white wine and cherry red wine from Traverse city. The Kindle Kings Band was great. We will plan to go again next year if they schedule it. ABYA provides fundraisers to be able to donate to charities that promote water clean up, So Channel Lights, Macomb and St Clair Marine Divisions, the Sea Cadets, safe boating, etc. Source: Facebook/Christine Beck

Anchor Bay, Detroit, and Grosse Pointe are ABC members of ABYA.
