Commander's Message

Cdr. Rose Stano, AP

I want to thank you all for your hard work and support this year. Without you and your countless hours, this fine group would not be possible. Many groups around the country are disbanding because people do not want to help. But we are surviving with your support. Michael Babiarz and Bill Stano are completing the paperwork for Merit Marks 2022 and anyone who has contributed 10 volunteer hours in the year can receive one. Merit Marks are an important way to thank you for your dedication along with the fun and comradery we have. Merit Marks are submitted, reviewed, and approved by the National Committee and given out in the Spring 2023.

We celebrated a milestone at the Bayview Yacht Club dinner by presenting a 50-year membership pin and certificate to Dale Camphous. He was accompanied by his lovely wife and family. Dale had a great time reminiscing with Ron Utz and Krystal Gishner, whose parents were active when Dale joined the Squadron. Plus, he enjoyed reconnecting with the group and being acknowledged.

November is my favorite month for several reasons, and it is even more so this year as I plan my Commanders Thank You Tea. Please come to the GP Farms Pier Park Activity Building, Friday, November 18 at 6pm. I'm planning a Chinese Celebration complete with buffet dinner. There will be a big Costco Cake and ice cream to Thank You for all your help this year. Maybe even some balloons and candles to celebrate my Birthday. We will serve bottled water, coffee, oolong tea, beer, and wine. Bring only a heart filled with gratitude and enjoy. Anyone who wants to help decorate can come at 4pm.

As we wind down 2022, many of our fellow groups are having Change of Watch/ Christmas Parties that you are welcome to attend. Please see their flyers in the newsletter for information. Remember to attend our Christmas Party to elect our new Executive Board and our Change of Watch (COW) will be at our first meeting in January.

Stay Safe.

We started our last **ABC Class** of the year at GPYC on Monday, Oct 17 with 10 students and one 10 yo son. Dave Charvat started to class with John Bennett doing Knots, Bends and Hitches. I will take over as Dave goes out of town. Class continues two more weeks with test the Monday before Thanksgiving, Nov 21. Anyone who would like to come help grade **tests on Nov 21**, is welcome.

The Boat Handling class has taken the test and 6 have progressed on to **Marine Navigation, Charting** Class taught by Bill Stano. Please come on **Monday nights at 7pm** to help them with plotting their course through mid-December. Remember how hard it was grasp at first and they would appreciate some individual attention. They will be using parallel ruler, so come practice with them.

This winter we would like to do a GPS Class since most new boaters are relying on new technology instead of charting. Anyone interested in helping, please contact me.

As you can see from the pictures, we had a great evening at the Bayview Yacht Club for our October meeting. We were given the history of the club by one of the members and the new remodeled building was impressive. The food was delicious, and it was so nice to socialize again. Thanks to our mutual members for sharing their club with us. We are also able to attend the Players Playhouse on Jefferson with Past Commander Joan McCarron through mutual members. If you have never gone, please come join us for an evening of friendship and theatre in a unique setting, semiformal attire, Please.

We have an exciting meeting planned for Wednesday, November 9th with our own private screening of the Boblo Boat film. 7pm. The 79-minute film will be followed by an question/ answer session. Free admission with donations accepted. Drinks can be purchased at the bar before the show so come at 6:30pm if you want. Please call or text me if you are coming so we can have enough seats set up.

Christmas Dinner/ Elections will be on Wednesday, Dec 14 at 6pm cocktails/voting and 7pm Buffet dinner. We will once again collect for the Motor City Mission in St Clair Shores. They are a local group who helps the homeless with food, clothing, housing, and more.

Do you have any **life size toys** to place with Chuckie in life jackets for our dingy float for the Parade?

Join us as **America's Boating Club Grosse Pointe** marches through town in the **Santa Parade**. Name recognition is so important and what better way to show our community involvement than by being in parade. We will make large, wrapped gift boxes highlighting our Classes, Vessel Safety Exams, and America's Boating Channel to place in Bills Dingy with toys in life jackets. Streamers will flow from the dingy like water. Help me create the magic in my home the week before. Then come on Friday at 9 am to help set up. Park in St Paul's School parking lot off Jefferson at 9am. We will be lined up on Grosse Pointe Blvd. After we finish decorating, we will march down Lewiston to Kercheval, and down Kercheval to Cadiuex. There is room for 4 people to ride in Bill's Terrain, but I would love to have others with strong legs walk and wave with me. We will drive you back to your cars after. Call/ text, or email Cdr Rose Stano to help. 586-215-4758 or rstano@comcast.net.
